Exciting announcement!

We are thrilled to announce the biggest matching challenge in the history of the Bacaanda Foundation! Together, we are embarking on a transformative journey to benefit students from three schools at Cerro Clanes Magdalena, Conafe's largest community in southern

Oaxaca.

What needs to be done.

- \*Reconstruction, refurbishments and equipping of classrooms at each school.

- \*Construction of bathrooms and two teachers' rooms.

- \*Providing technological equipment (smart TV, satellite antenna, internet service, iPads, educational apps, digital content) and introduction of Intelligent Rural School Program.

### The Matching Challenge

Every contribution you make during this challenge will be matched by a generous group, doubling the impact of your support. Together we can make a huge difference in the lives of these students. We hope that by November 30, \$50,000 can be doubled.

How can you help?

- \*Spread the word: Share this post with your friends, family and followers. By raising awareness, we can inspire others to join us in providing a brighter future for Cerro Clanes Magdalena students.
