

Three Kings' Day

Thanks to our collaboration with the Soriana Group, students from the communities of La Reja, Copalita la Hamaca, and El Encierro received a visit from the Three Kings who brought them gifts, and most importantly, joy. The foundation team organized fun games for the students, making their morning enjoyable.

We are very grateful for the partnership we have with Grupo Soriana and we hope to continue spreading happiness to our communities for many years to come.

Cerro Clanes is now a reality

A few weeks ago, we held a ribbon-cutting ceremony to mark the completion of the first phase of our project in the community of Cerro Clanes . This phase involved the renovation of the middle school, the installation of 35 iPads, and a satellite internet antenna.

The second phase of the project, which is expected to be completed in the early spring, will include the renovation of three elementary classrooms and one preschool classroom, as well as teachers' quarters and bathrooms.

Ten of our donors, who made a 4-hour journey through mountains and rivers, took part in the opening celebration. They enjoyed the hospitality of the Cerro Clanes community and had a wonderful time.

The Dream Festival was a fantastic day filled with various activities such as crafts, food, drinks, raffles, music, games, and shows. We want to extend our heartfelt thanks to the volunteers, donors, sponsors, and all the attendees who made this

event a true day of celebration.

It was wonderful to see everyone come together for the same cause, to help rural schools!

Thank you so much!
